Students - click the box below and you will automatically be signed into your Xello account:

XELLO

If you are not using an LWSD computer, you must login to your LWSD Account first.

If you still cannot access your account with the above link, or you would like to set up your Xello account for summer access, please follow the directions below:

• Navigate to https://xello.world and click on the "Having trouble signing in?" link:

- Then enter your **LWSD student email account**.
- Go to your LWSD email inbox to view the email from Xello
 - o (be sure to check your "junk" folder if you can't find the email in your inbox)
- Click the link and follow the directions to reset your password.
- You are now able to login directly at https://xello.world with your username and new password:
- Username: LWSD-[Student ID#]
 Password: [new password]
