

December 1, 2020

Dear 8th Grade Parents:

On December 9th we were scheduled to have our 8th grade parent night. Typically, during this meeting you would get to meet some of the 9th grade teachers and other staff, hear a bit about the registration process and learn a few things about Juanita High School. As you know, nothing is typical right now and we aren't having an in-person meeting. Instead, starting on the 9th we will have a PPT posted on our website that will address the upcoming registration process and include a link for parents to use if there are questions. We plan have a separate event in the spring that will be focused on Juanita culture and the things you and your student need to know to get excited about school in the fall. I look forward to the time that I and the other JHS staff can actually meet you all face to face.

Take care,

Kelly Clapp, JHS Principal
