

October 8, 2020

Dear Juanita Community:

I only have one item this evening.

Action Item: Participate in the Thought Exchange Regarding New Mascot

As you know we have started the process for choosing a new mascot for Juanita High School. While our current JHS students will be the only group providing nominations and participating in voting, we do value all stakeholders in our community and would like to get some specific input.

After the student nomination window closes on October 20th, the mascot committee will be convening to start the work of narrowing down nominations to 6-8. To help us with this work, we are seeking input about the attributes and characteristics that the community would like to see reflected in the new mascot. We are going to use Thought Exchange to gather this input. The committee will be using this information in our discussions as we work to choose the 6-8 names that will be put before the students for a vote. We hope you will all take the time to give us this valuable input. You have until October 19, 11:59 PM to complete this Thought Exchange.

Finally, if you haven't done so yet, you can access more detailed information about our process and timeline by watching the PowerPoint that is on our school website.

Thank you again.

Kelly A. Clapp, Principal
