This is a required form for any student who intends to complete credits outside the Lake Washington School District, including online courses. There are a few things to keep in mind before committing to Out of District Credit:

- Students seeking Pre-Approval for a course that may affect placement in 2021-2022 must submit this form and Appendix C by **June 1, 2021**.
- If the course taken is being used to advance a student's placement for 2021-2022, JHS must receive an official transcript from the Out of District Provider by **August 20, 2021** for a placement change to be considered. Placement change is contingent upon room in the next level class.
- It is the student's responsibility to monitor his/her own progress in the Out of District Credit class.
- Any final exam that needs to be taken must be proctored outside of school by an outside organization. A list of approved proctors is available through the online organization you are using.
- Student athletes intending to play a sport at a Division I or II college are responsible for checking if the course will be accepted by NCAA.
- *Seniors only:* All official transcripts of courses completed must be received by Juanita High School by **May 15th** of your senior year. If we do not receive your transcript by this date, the credit may not be counted towards graduation. It is your responsibility to have the official transcript sent to the Juanita counseling office.
