

## **RUNNING START STUDENTS**

Any student who drives and parks a car at Juanita High School must have a parking permit. Students may not park in areas designated Visitors, Pool or Staff. You must complete the form and pay the parking fee. Turn in the form, photocopies of your license, insurance & registration, the receipt to the Main Office and you will be assigned a parking spot. Failure to have a valid permit will result in parking tickets. Repeated violations may result in your car being towed.
